

Santiam Hearts to Arts Grants

Since 2013, Santiam Hearts to Arts (SH2A) has been awarded the following grants that support our effort to keep arts and music in the Santiam Canyon. We would not be able to do all that we do without these grants. We will continue applying for grants to maintain SH2A's programs and fulfill our mission in the Santiam Canyon.

Fundraisers, Events and Community Concerts:

Fundraising is extremely important to SH2A. We support the Santiam Canyon Community chorus paying for the music director and purchasing music. We support our local schools by helping fund the Missoula Children's Theater twice yearly and providing funds for music supplies that are needed. We have financially supported a music teacher for after school programs. We will work diligently to continue funding these projects and as many more as possible. Music and Art is such an important component in our schools. SH2A will reach out to anyone of any age who wants to participate in the arts.

In addition to grants, generous sponsors and donations have also helped sustain SH2A and KYAC Community Radio. We are very grateful for their support.

For the past several years, KYAC Community Radio has organized an acoustic music concert series from fall into the spring. Each series raises \$5,000 to \$8,000 from ticket sales. Funds are used primarily to cover concert costs with residual used for KYAC operations. Additional fundraising events are listed below.

August 2017:

Co-hosting with the North Santiam Chamber of Commerce, the first annual River City Music and Art Jamboree, featuring local bands, the community chorus and numerous artists and other vendors. This event was held over the 2017 Eclipse weekend. Event raised \$8,000 split between the two organizations.
